Building Renovation Fund Drive

Funds available

- Capital reserve fund—\$75,000
- Madison Historical Society Building Restoration Fund \$42,280.
- Total available \$117,280

Funds still needed

- Approximately \$32,720

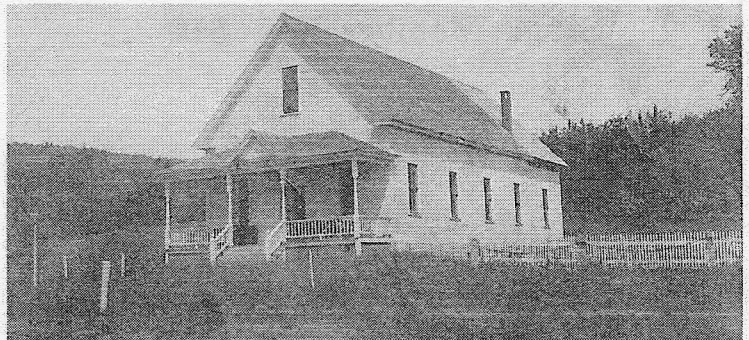

Wow! We are really close to our renovation goal!!! We have a recent estimate of \$133,600 which includes new full foundation just to the right of the existing building, moving the building onto the new foundation, drainage system, new chimney, new walkway, new front stairs, granite blocks for the visible foundation wall, refilling the old foundation hole and

more. Not included would be unforeseen things such as sill replacement, ledge, etc, which would be separately billed.

We would like to raise a total of \$150,000 to cover renovation and unforeseen costs.

Inside you will find

a membership form and also a form for donations to our building fund. Please consider helping us reach our goal. *It is amazing that our small, dedicated membership has been able to raise over \$42,000 for this project.*

Thank-you Roger Clayton

The executive board recently gave Roger Clayton an award for tireless and unselfish dedication to the Madison Historical Society. He has been instrumental in

collecting photographs of Madison from many sources. This has resulted in many notebooks of historical memories available to the public. He also spent many hours

revamping the tool shed out back of the museum and docenting in the summer.

Roger's "gift of gab" resulted in many priceless sources of information.

Madison Historical Society Museum Tax Deductible Donation Form

Please Accept Our/My Donation of \$_____

Name: _____

Address: _____

History of the Madison Historical Society Museum Building

- 1884- After being passed over 8 previous years it was voted to build Madison Town House
- 1885-Town House (now Historical Society Building) was built by Nathaniel Nason, \$800 for materials, labor and painting
- 1913 List of Events at the Town House
 - Church Services while church was renovated
 - Ladies Aid Supper
 - KD(?) Entertainment
 - Town Meeting
 - Scissors Guild Meeting
 - Plays
 - Boy Scout Meeting
- 1916 Events
 - Vaudeville Show
 - High School Prize Speaking
 - Basketball Games
 - Corn Husking Bee
 - Town Christmas Party—every child received a gift from Santa
- 1918- Electricity installed
- 1920-Kitchen annex added
- 1945-Town meetings moved to the Odd-Fellows Hall (current Town Hall Building that was located in Silver Lake Village at the time)
- 1948—Town House now being used as a recreation hall
- 1959- Madison Historical Society had it's first meeting in the Town House

Please help us restore this building and keep it as part of Madison Corner
